The Declarant may from time to time elect to convey title to some or all of the Common Properties to the Association subject to the easements, conditions, restrictions and reservations contained herein; although nothing contained herein shall so obligate the Declarant.

Section 8. Access Easement. Declarant reserves unto itself and its successors and assigns perpetual non-exclusive easements of ingress and egress over and across the private streets constructed on the Common Properties from time to time.

Section 9. Drainage and Water Sewer Systems. The obligations of the Declarant (i) to maintain the water and sewer systems in the COUNTRY LAKE PROJECT, and (ii) to maintain the drainage systems within the COUNTRY LAKE PROJECT, except for such portion of said systems as lie within the boundaries of Units, are hereby specifically assumed and shall be fully performed by the Association and its successors from and after the date this Declaration is recorded; such obligations shall be satisfied in a continuous and satisfactory manner (whether or not said systems and any and all parts thereof are now or hereafter conveyed to the Association). With respect to the drainage systems, the requirements of the South Florida Water Management District shall be complied with and no changes may be made in the drainage systems without the prior written consent of the Declarant and such District or its successor in function. ARTICLE IV VOTING RIGHTS

Section 1. Classes of Voting Membership. The Association shall have two (2) classes of voting Members as follows:

Class A. Class A Members shall originally be all Owners with the exception of Declarant for so long as there exists a Class B Membership. Declarant shall become a Class Member A with regard to Units owned by Declarant upon termination of Declarant's Class B Membership as provided below.

Class B. The only Class B Member shall be Declarant. The Class B Member shall be entitled to one (1) vote for each Unit it owns, plus two (2) votes for each Class A Vote, provided that the Class B Membership shall cease and be converted to Class A Membership upon the first to occur of the following events:

(1) When the last unit expected to be built in the COUNTRY LAKE PROJECT is constructed and conveyed to a purchaser; or

(2) Thirty (30) days after the Declarant elects to terminate the Class B Membership.

(Whereupon the Class A Members shall assume control of the Association and elect the Board).

Section 2. Vote Distribution. Class A Members shall be entitled to one (1) vote for each Unit in which they hold the interest required for Membership. When more than one person holds such interest or interests in any Unit, ("Co-Owner"), all such Co-Owners shall be Members and may attend any meetings of the Association, but only one such Co-Owner shall be entitled to exercise the vote to which the Unit is entitled. Such Co-Owners may from time to time all designate in writing one of their number to vote. Fractional votes shall not be allowed, and the vote for each Unit shall be exercised, if at all, as a unit. Where no voting Co-Owner is designated or if such designation has been revoked, the vote for such Unit shall be exercised as the majority of the Co-Owners of the Unit mutually agree. Unless the Board receives a written objection from a Co-Owner, it shall be presumed that the appropriate voting Co-Owner is acting with the consent of his or her other Co-Owner. No vote shall be cast for any Unit where the majority of the Co-Owners cannot agree upon said vote or other action. The non-voting Co-Owner or Co-Owners shall be jointly and severally responsible for all of the obligations imposed upon the jointly-owned Unit and shall be entitled to all other benefits of Ownership. All agreements and determinations lawfully made by the Association in accordance with the voting percentages established herein, or in the By-Laws of the Association, shall be binding on all Co-Owners, their successors and assigns. Said voting rights shall be subject to the restrictions and limitations provided in this Declaration, any Supplemental Declaration and in the Articles of Incorporation and By-Laws of the Association. If a Unit is owned by a corporation, the person entitled to cast the vote for the Unit shall be designated by a certificate signed by an appropriate officer of the corporation and filed with the Secretary of the Association.

ARTICLE V DUTIES AND POWERS OF ASSOCIATION

The Association, acting through the Board of Directors, shall also have the power and duty to:

(i) Maintain the exterior surfaces of the Units including, although not limited to, the walls, roofs, pipes and utility conduits when the Unit Owner fails to maintain same after the Board has determined the necessity of such maintenance and has given the Unit Owner notice in accordance with the provisions of Article XXVIII.

(j) Pay the insurance, taxes, maintenance, repair and replacement expenses necessary in connection with the Common Properties.

ARTICLE VI COVENANT FOR ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Unit now or hereafter owned by it within the COUNTRY LAKE PROJECT, hereby covenants, and each Owner of any such Unit by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree, to pay to the Association (1) annual Common Assessments for Common Expenses, (2) Capital Improvement Assessments, (3) Special Assessments, and (4) Reconstruction Assessments; all such Assessments to be imposed and collected as hereinafter provided. The obligation of Units for their respective assessments shall commence when the title to the Unit is sold and conveyed to the Unit Owner.

Such assessments, together with interest, costs and reasonable attorneys' fees for the collection thereof, shall be a charge on the Unit and shall be a continuing lien upon the Unit against which such an assessment is made. Each such Assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the Assessment fell due. Subject to the provisions of this Declaration protecting first Mortgagees, the personal obligation for delinquent Assessments shall pass to the successors-in-title to such Owner. The Board of Directors shall deposit all monies collected in one or more accounts as it shall elect.

Section 2. Common Assessments. The Assessments levied by the Association shall be used exclusively to promote, in the opinion of the Board, the common health, safety, benefit, recreation, welfare and aesthetics of the Owners and to improve and maintain the Common Properties and Unit Property as provided herein. Disbursements shall be made by the Board of Directors for such purposes as are deemed necessary for the discharge of its responsibilities herein for the common benefit of the Owners and to reimburse the Declarant for start-up expenses advanced by Declarant. All Common Assessments shall be collected monthly, provided that if not paid when due, all such monthly installments may be accelerated and shall thereupon be due in one lump sum. All Common Expenses shall be assessed exclusively among the Units which are subject to Assessment pursuant to Article VI, Section 1, hereof.

Section 3. Special Assessments. The foregoing maintenance, repair or replacement within the Common Properties arising out of or caused by the willful or negligent act of an Owner, his family, guests or invitees, shall be effected at said Owner's expense and a Special Assessment therefor shall be made against his Unit, unless proceeds of insurance are collected by the Association with respect thereto. The Association may, in addition, levy Special Assessments

1800
8888 P0881

against selected Owners who have caused the Association to incur special expenses due to willful or negligent acts of said Owners, their guests or agents, or otherwise.

Section 4. Capital Improvement and Reconstruction Assessments. In addition to the Common Assessments authorized above, the Board of Directors of the Association may levy, in any assessment year, a Capital Improvement Assessment or Reconstruction Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement, or other such addition, upon the Common Properties, including fixtures and personal property related thereto; provided that any such Assessment in excess of Five Thousand Dollars (\$5,000.00) shall require the vote or written assent of a majority of the votes of Members who are subject to such Assessments. No action authorized in this Section 4 shall be taken without prior written consent of the Declarant as long as the Declarant owns any Unit.

Section 5. Notice for any Action Authorized Under Section 4. Written notice of any meeting called for the purpose of taking any action by the Members authorized under Section 4 above shall be sent to all Members not less than ten (10) days, nor more than thirty (30) days, in advance of the meeting. If the required quorum is not present, such meeting may be rescheduled subject to the same notice requirement. No such subsequent meeting shall be held more than sixty (60) days following the preceding scheduled meeting.

Section 6. Rate of Assessment. Common Assessments, Capital Improvement Assessments and Reconstruction Assessments provided for in this Article VI shall be allocated and assessed equally among the Units subject to such assessments.

Section 7. Date of Commencement of Association's Obligation for Collecting Common Assessments. The obligation of the Association to collect the Common Assessments applicable to each portion of the COUNTRY LAKE PROJECT intended to be Common Properties shall commence on the day of the closing of the first Unit to be conveyed by Declarant to a Unit Owner other than the Declarant.. The prorata portion for the month of closing shall be collected by the Declarant.

Section 8. Date of Commencement of Common Assessments; Due Date. The first annual Common Assessment shall be adjusted according to the number of months remaining in the fiscal year as set forth in the By-Laws. The Board of Directors shall fix the amount of the annual Common Assessment against each Unit subject to the Assessments at least thirty (30) days in advance of each Common Assessment period. Written notice of any change in the amount of the annual Common Assessment shall be sent to every Owner subject thereto at least thirty (30) days prior to the effective date of such change. The due dates shall be established by the Board of Directors.

Section 9. Certificate of the Association as to the Status of Assessments. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer or agent of the Association setting forth whether the Assessments on a specified Unit have been paid. A properly executed certificate of the Association as to the status of the Assessments against a Unit is binding upon the Association as of the date of its issuance.

Section 10. Annual Balance Sheet Prepared by Board of Directors. The Board of Directors shall cause to be prepared an annual balance sheet and operating statement reflecting income and expenditures of the Association for each fiscal year, and shall cause to be distributed a copy of each such statement to each Member, and each first Mortgagee who have filed a written request for copies of the same with the Board of Directors, in the manner provided in the By-Laws of the Association. At least thirty (30) days prior to the beginning of each fiscal year, the Board of Directors shall prepare and distribute to the Membership of the Association a written estimate (budget) of the expenses to be incurred by the Association during such year in performing its

B3988 P0882

functions under this Declaration (which may, but need not, include reasonable provision for contingencies and reserves).

Section 11. Liability of Declarant. Anything to the contrary herein notwithstanding, the Declarant shall not be liable for any Assessments imposed upon Units for which it is the Owner as long as the Declarant pays all deficits in operation of the Association above the Assessments collectible from other Owners of Units. In calculating such deficit, only actual current expenses (other than management fees, capital expenses and reserves) shall be computed. Declarant may at any time and from time to time be relieved of obligations to fund deficits by electing, for any Assessment period or periods, to pay Assessments imposed on Units for which it is the Owner, except no Assessments shall be due from Declarant for any Unit until a certificate of occupancy is issued therefor.

ARTICLE VII

EFFECT OF NON-PAYMENT OF ASSESSMENTS; REMEDIES OF THE ASSOCIATION

Section 1. Effect of Non-Payment of Assessments; Remedies of the Association. A lien is hereby imposed upon each Unit to secure the payment of all Assessments now or hereafter imposed on the Unit by the Association. Any installment of a Common Assessment, Capital Improvement Assessment, Special Assessment or Reconstruction Assessment not paid within ten (10) days after the due date shall bear interest from the due date of such installment at the highest lawful rate then applicable. If any installment of an Assessment is not paid within thirty (30) days after it is due, the Owner responsible therefor may be required by the Board of Directors to pay a late charge equal to the amount of the unpaid Assessment. The Association may bring an action at law against the Owner(s) personally obligated to pay the same, or foreclose a lien against the Unit or both. No Owner may waive or otherwise escape liability for the Assessments provided for herein by nonuse of the Common Properties or abandonment of his Unit. If any installment of a Common Assessment is not paid within thirty (30) days after its due date, the Board may mail an acceleration notice to the Owner and to each first Mortgagee holding a mortgage encumbering the Unit which has requested a copy of the notice. The notice shall specify (1) the fact that the installment is delinquent, (2) the action required to cure the default, (3) a date, not less than thirty (30) days from the date the notice is mailed to the Owner, by which such a default must be cured, (4) that failure to secure the default on or before the date specified in the notice shall result in acceleration of the balance of the installments of the Common Assessments for the then current fiscal year, and (5) that the Association may foreclose as lien against the Unit for all sums then due and owing to the Association in accordance with the provisions of this Declaration. The notice shall further inform the Owner of his right to cure after acceleration and to bring a court action to assert the non-existence of a default or any other defense of the Owner to acceleration and sale. If the delinquent installments of Common Assessments and any charges thereon are not paid in full on or before the date specified in the notice, the Board at its option may declare all of the unpaid balance of all applicable Assessments to be immediately due and payable without further demand and may enforce the collection of the full Assessments and charges thereon in any manner authorized by law and this Declaration, by Lien Foreclosure in the manner provided for herein, or otherwise.

Section 2. Claim of Lien. No claim of Lien shall be valid, enforceable, or subject to foreclosure unless and until the Notice as provided for in Section 1 above has been given to the Unit Owner and until at least thirty (30) days have expired following the recording of a Claim of Lien in the Public Records of Palm Beach County, Florida, against any delinquent Owner's Unit.

Section 3. Collection Expenses. The Association's Lien rights shall include interest on the unpaid Assessment at the highest lawful rate, plus reasonable attorneys' fees and expenses collection.

Section 4. Foreclosure Sale. The Assessment lien set forth herein may be foreclosed in the same manner as mortgages are foreclosed under Florida law. The Association, through duly authorized agents, shall have the power to bid on the Unit at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

Section 5. Curing of Default. Upon the timely curing of any default for which a Claim of Lien was filed by the Association, an officer thereof shall record an appropriate Release of Lien upon payment by the defaulting Owner of a fee to cover the cost of preparing and recording such release.

Section 6. Certificate issued by Board of Management Company as to a Lien Indebtedness upon a Unit. A certificate executed and acknowledged by any two (2) Members of the Board or by the Management Company stating the indebtedness secured by the lien upon any Unit created hereunder shall be conclusive upon the Association and the Owners as to the amount of such indebtedness as of the date of the certificate with respect to all persons who rely thereon in good faith. Such certificate shall be furnished to any Owner upon request at a reasonable fee, not to exceed Ten Dollars (\$10.00).

Section 7. Cumulative Remedies. The Assessment liens and the rights to foreclosure and sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and under law, including a suit to recover money judgment for unpaid Assessment as above provided.

Section 8. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be a lien superior to all other liens save and except tax liens and the liens of any Institutional First Mortgages. The sale or transfer of any Unit shall not affect the Assessment lien. However, the sale or transfer of any Unit pursuant to foreclosure of such mortgage or deed in lieu thereof (if such mortgage was recorded prior to the recording of a Claim of Lien) shall extinguish the lien of such Assessments as to installments which become due prior to such sale or transfer. However, no sale or transfer shall relieve Unit from liability for any installments of Assessments thereafter becoming due or from the lien thereof, and provided that all amounts are not collected by reason of such foreclosure or deed in lieu shall be deemed a Common Assessment and shall be collectible as such from all Units, including the Unit which is the subject of the foreclosure or deed in lieu thereof.

ARTICLE VIII

ARCHITECTURAL CONTROL

Section 1. Members of Committee. The Architectural Control Committee, sometimes referred to in this Declaration as the "Committee," shall consist of three (3) members. The initial members of the Committee shall consist of persons designated by the Declarant. Each of said persons shall hold office until all Units planned for the COUNTRY LAKE PROJECT have been constructed and conveyed, or sooner at the option of the Declarant. Thereafter, each new member of the Committee shall be appointed by the Declarant if it owns any Units, and if not by the Board of Directors; each director shall hold office until the latest of (a) such time as he has resigned or has been removed or (b) one (1) year has elapsed since he took office, or (c) until his successor has been appointed, as provided herein. painted, erected or maintained in the COUNTRY LAKE PROJECT, nor shall any exterior addition to, or change or alteration, be made, nor shall any awning, canopy or shutter be attached to or placed upon outside walls or roofs of residential Buildings, until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall be submitted to, and approved in writing by, the Architectural Committee whose approval must then be approved by the Association. ~~The Committee shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area of the COUNTRY LAKE PROJECT as a whole, and that the appearance of any structure affected thereby will be in harmony with the surrounding structures and is otherwise desirable.~~ The Committee may condition its approval of proposals and plans and specifications as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Committee may also issue rules or guidelines setting forth procedures for the submission of plans for approval. The Committee may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. All of the foregoing to be from time to time subject to review and approval by the Association. Until receipt by the Committee of any required plan and specifications, the Committee may postpone review of any plans submitted for approval. ~~The Committee shall have thirty (30) days after delivery of all required materials to approve or reject any such plans, and if not rejected within such 30-day period, said plans shall be deemed approved.~~ The Committee's decision shall then either be approved or rejected at the next scheduled meeting of the Association. Notwithstanding any provision in this Article VIII to the contrary, the approval of the Architectural Committee shall not be required for any additions, changes or alterations to the Unit where such additions, changes or alterations are not visible from the outside of the Unit.

All changes and alterations shall be subject independently to all applicable government laws, statutes, ordinances, rules, regulations, orders and decrees.

Section 3. Meetings of the Committee. The Committee shall meet from time to time as necessary to perform its duties hereunder. The Committee may from time to time, by resolution unanimously adopted in writing, designate a Committee Representative (who may, but need not, be one of its members) to take any action or perform any duties for and on the behalf of the Committee, except the granting of variances pursuant to Section 8 hereof. In the absence of such designation, the vote of any two (2) members of the Committee shall constitute an act of the Committee.

Section 4. No Waiver of Future Approvals. The approval of the Committee of any proposals of plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

Section 5. Compensation of Members. The members of the Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

Section 6. Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

(a) Upon the completion of any work for which approved plans are required under this Article VIII, the applicant (the "Applicant") for such approval shall give written notice of completion to the Committee.

(b) Within ten (10) days thereafter, the Committee or its duly authorized representative may inspect such improvement. If the Committee finds that such work was not effected in substantial compliance with the approved plans, it shall notify the Applicant in writing of such noncompliance within such ten (10) day period, specifying the particulars of noncompliance, and shall require the Applicant to remedy the same. If the Committee or its duly authorized representative requests additional time, the 10-day period provided for herein shall be extended for a reasonable period.

(c) If, upon the expiration of thirty (30) days from the date of such notification, the Applicant shall have failed to remedy such noncompliance, the Committee shall notify the Board in writing of such failure. Upon Notice and Hearing, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Applicant shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling. If the Applicant does not comply with the Board ruling within such period, the Board, at its option, may either remove the noncomplying improvement or remedy the noncompliance, and the Applicant shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Applicant to the Association, the Board shall levy a Special Assessment against such Applicant for reimbursement.

(d) If for any reason the Committee fails to notify the Applicant of any noncompliance within ten (10) days after receipt of said written notice of completion from the Applicant, the Improvement shall be deemed to be in accordance with said approved plans.

(e) All decisions of the Committee regarding this Section 6 shall also be subject to approval by the Association.

Section 7. Non-Liability of Committee Members. Neither the Association nor the Committee nor any member thereof, nor its duly authorized Committee representative, shall be liable to the Association, or to any Owner or any other person or entity for loss, damage or injury arising out of or in any way connected with the performance of the Committee's duties hereunder, unless due to the misconduct or bad faith of a member and only that member shall have any liability. The Committee shall review and approve or disapprove all plans submitted to it for any proposed Improvement, alteration or addition solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and to the COUNTRY LAKE PROJECT. The Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes.

Section 8. Variance. The Committee may authorize variances from compliance with any of the architectural provisions from time to time in existence as a result of this Declaration or any Supplemental Declaration, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations require. Such variance must be evidenced in writing which must be signed by at least two (2) members of the Committee. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the

matter for which the variance was granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration or of any Supplemental Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting his use of the premises, including, but not limited to, zoning ordinances and setback lines or requirements imposed by any governmental or municipal authority. Any variance granted, or not granted, shall be subject to the approval of, and any decision concerning same, shall not be binding until approved by the Association.

ARTICLE IX

MAINTENANCE AND REPAIR OBLIGATIONS

Section 1. Maintenance and Obligation of Owners. Subject to the duty of the Association to provide for maintenance as provided for in this Declaration, it shall be the duty of each Unit Owner in the COUNTRY LAKE PROJECT, at his sole cost and expense, subject to the provisions of this Declaration regarding Architectural Committee approval, to maintain, repair, replace and restore the Units as may be subject to their respective control or jurisdiction in a neat, sanitary and attractive condition. In the event that any portion of the Units and or Buildings falls into disrepair or is not so maintained so as to thereby create a dangerous, unsafe, unsightly or unattractive condition, or to otherwise violate this Declaration, the Architectural Committee or the Association shall have the right, but not the duty, upon fifteen (15) days' prior written notice except in cases of emergency, in which event, the aforescribed notice shall be dispensed with, to correct such condition and to enter upon such Unit Property to make such repairs or to perform such maintenance, and the cost thereof shall be charged to the appropriate Unit Owner. Said cost shall be a Special Assessment and shall create a lien upon all the affected Units enforceable in the same manner as other Assessments as set forth in this Declaration. The Owners of such Units shall pay promptly all amounts due for such work, and the costs and expenses of collection may be added, at the option of the Board of Directors, to the amounts payable by each such Unit Owner as Common Assessments. Unit Owners shall also be obligated to maintain their yards and lawns in a neat and clean fashion, and in the event they fail to do so the Committee or the Association may do so, upon 10 days prior notice to the Unit Owner; any amount expended by the Association or Committee in such yard maintenance shall be a Special Assessment to be levied against the negligent Unit Owner and his Unit.

In addition, the Association shall provide all necessary landscaping and gardening to properly maintain and periodically replace when necessary the trees, plants, grass and other vegetation which are on the Common Properties. The Association shall further maintain, reconstruct, replace and refinish any paved surface on the Common Properties. All of the foregoing obligations of the Association shall be discharged when and in such manner as the Board of Directors of the Association shall determine in its judgment to be appropriate.

Section 3. Exterior Appearance and Design. The Owner of any Building or Unit which has suffered damage shall apply through the Association thereof for approval to the Architectural Committee for reconstruction, rebuilding or repair of the Improvements therein. Application for such approval shall be made in writing, together with full and complete plans and specifications, working drawings and elevations showing the proposed reconstruction and the end result

thereof. The Architectural Committee shall grant such approval only if upon completion of the work, the exterior appearance and design will be substantially like that which existed prior to the date of the damage. Failure of the Architectural Committee to act within thirty (30) days after receipt of such a request in writing together with the drawings and plot plans showing the full and complete nature of the proposed changes shall constitute approval thereof. If the obligation for repair falls upon the Association, Architectural Committee approval will not be required prior to the commencement of such work.

Section 4. Time Limitation. The Owner or Owners of any damaged Building or Unit, the Association and the Architectural Committee shall be obligated to proceed with all due diligence hereunder, and the responsible party shall commence reconstruction within three (3) months after the damage occurs and complete reconstruction within one (1) year after damage occurs, unless prevented by causes beyond their reasonable control.

No clothing or household fabrics shall be hung, dried or aired, and no lumber, grass, shrub or tree clippings or plant waste, metals, bulk material or scrap or refuse or trash shall be kept, stored or allowed to accumulate on any portion of the COUNTRY LAKE PROJECT except within an enclosed structure appropriately screened from view. Trash containers and plastic bags containing trash shall be permitted to be placed on the front of any townhome lot abutting the Common Properties or the streets only on the scheduled day for trash removal and same must be removed on that same day and placed on the Unit Owners' property hidden from view from the Common Areas.

Section 8. Insurance Rates. Nothing shall be done or kept in the Common Properties or Units which will increase the rate of insurance on any property insured by the Association without the approval of the Board, nor shall anything be done or kept in the Buildings, or Unit Property or on the Common Properties which would result in the cancellation of insurance on any property insured by the Association or which would be in violation of any law.

Section 9. Commercial Restriction. The use of the Common Properties will be subject to the use restriction contained in the Declarant's Deed from its successor in interest which prohibited the use of any of the properties within the COUNTRY LAKE PROJECT from any commercial purpose. Said prohibition does not include the Declarant's activities in constructing, selling, developing or delivering Units to ultimate purchasers.

ARTICLE XI

DAMAGE OR DESTRUCTION TO COMMON PROPERTIES

Damage to or destruction of all or any portion of the Common Properties shall be handled in the following manner, notwithstanding any provision in this Declaration to the contrary:

(b) If the insurance proceeds are within Twenty Thousand Dollars (\$20,000.00) or less of being sufficient to effect total restoration to the Common Properties, then the Association shall cause such Common Properties to be repaired and reconstructed substantially as it previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a Reconstruction Assessment equally against each of the Owners, in accordance with the provisions of Article VI, Section 4, of this Declaration.

Anything to the contrary herein notwithstanding, no decision not to rebuild or to rebuild in a manner which would result in a change in the Improvements shall be effective without the written approval of the Declarant as long as the Declarant owns any Units.

(d) Each Owner shall be liable to the Association for any damage to the Common Properties not fully covered by collected insurance which may be sustained by reason of the negligence or willful misconduct of said Owner or of his family, tenants, guests and invitees, both minor and adult. The Board of Directors shall have the right to suspend voting rights and use of the Common Elements in addition thereto.

Section 3. Fines. In addition to all other remedies, in the sole discretion of the Board of Directors of the Association, a fine or fines may be imposed upon a Unit Owner for failure of a Unit Owner, his tenants, family guests, invitees or employees to comply herewith or with any rule or regulation provided the following procedures are followed:

(a) Notice. The Board of Directors shall notify the Unit Owner of the infraction or infractions. Included in the Notice shall be the date and time of a special meeting of the Board of Directors, at which time the Unit Owner shall present reasons why penalties should not be imposed. At least six (6) days' written notice of such meeting shall be given.

(b) Hearing. The facts of non-compliance or violation shall be presented to the Board of Directors after which the Board shall hear reasons why penalties should not be imposed. A written decision of the Board of Directors shall be submitted to the Unit Owner not later than ten (10) days after the hearing.

(c) Penalties. The Board of Directors may impose a special assessment or assessments against the Unit owned by the Unit Owner as follows:

(1) First non-compliance or violation: a fine not in excess of Twenty-Five Dollars (\$25.00).

(2) Second non-compliance or violation: a fine not in excess of Fifty Dollars (\$50.00).

(3) Third and subsequent non-compliance or violation or violations which are of a continuing nature: a fine not in excess of One Hundred Dollars (\$100.00).

(d) Payment of Penalties. Fines shall be paid not later than five (5) days after Notice of the imposition of same.

(e) Collection of Fines. Fines shall be treated as an Assessment subject to the provisions for collection of Assessments as set forth in Article VII.

(f) Non-Exclusive Remedy. The fines provided for herein shall not be construed to be an exclusive remedy of the Association, and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; however, any penalty paid by the offending Unit Owner shall be deducted from or offset against any damage which the Association may otherwise be entitled to recover by law.

ARTICLE XIX

DECLARANT'S EXCEPTIONS

Section 1. Declarant's Exceptions in General. Declarant and its successors or assigns will undertake the work of constructing Units and Improvements relating thereto. The completion of that work and the sale, rental and other disposal of Units is essential to the establishment and welfare of the COUNTRY LAKE PROJECT as a community. As used in this Section and its subparagraphs, the words "its successors or assigns" specifically do not include purchasers of completed Units. In order that said work may be completed and the COUNTRY LAKE PROJECT established as a fully occupied community as rapidly as possible, no Owner nor the Association shall do anything to interfere with Declarant's activities. Without limiting the generality of the foregoing, nothing in this Declaration shall be understood or construed to:

(a) Prevent Declarant, its successors or assigns, or its or their contractors or subcontractors, from doing on any property owned by them whatever they determine to be necessary or advisable in connection with the completion of said work, including without limitation, the alteration of its construction plans and designs as Declarant deems advisable in the course of development (all models or sketches showing plans for future development of the COUNTRY LAKE PROJECT may be modified by the Declarant at any time and from time to time, without notice); or

(b) Prevent Declarant, its successors or assigns, or its or their contractors, subcontractors or representatives, from erecting, constructing and maintaining on any property owned or controlled by Declarant, or its successors or assigns or its or their contractors or subcontractors, such structures as may be reasonably necessary for the conduct of its or their business of completing said work and establishing the COUNTRY LAKE PROJECT as a community and disposing of the same by sale, lease or otherwise; or

(c) Prevent Declarant, its successors or assigns, or its or their contractors or subcontractors, from conducting on any property owned or controlled by Declarant, or its successors

or assigns, its or their business of developing, subdividing, grading and constructing improvements, in the COUNTRY LAKE PROJECT and of disposing of Units therein by sale, lease or otherwise; or

(d) Prevent Declarant, its successors or assigns from determining in its sole discretion the nature of any type of Improvements to be initially constructed as part of the COUNTRY LAKE PROJECT; or

(e) Prevent Declarant, its successors or assigns, or its or their contractors, subcontractors, from maintaining such sign or signs on any property owned or controlled by any of them as may be necessary in connection with the sale, lease or other marketing of Units, or otherwise from taking such other actions deemed appropriate.

In general, the Declarant shall be exempt from all restrictions set forth in this Declaration to the extent such restrictions interfere in any manner with Declarant's plans for construction, development, use and sale of the COUNTRY LAKE PROJECT.

Section 2. Declarant's Exceptions to Architectural Control. Declarant shall be exempt from the provisions of Article VIII hereof and shall not be obligated to obtain Committee approval for any construction or changes in construction which the Declarant may elect to make.

Section 3. Declarant's Exemption from Delinquent Fees, Costs, Interest or Penalties. Declarant shall be exempt from the provisions of Article VII and VIII hereof with respect to the imposition of any delinquent fees, and/or penalties, but not exempt from attorney's fees, costs and/or interest, which may from time to time be applicable to any assessments which the Declarant may owe to the Association.

ARTICLE XX

PARTY WALLS

Section 1. General. Each wall built as part of the original construction of two Townhouses and placed on the dividing line between lots on which they are situated shall constitute a party wall, and each Owner of one of the Lots shall own that portion of the wall which stands on his own Lot together with a cross-easement of support in the other portion. To the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply to all such party walls.

Section 2. Easements. Easements are reserved in favor of all Lots sharing a party wall for overhangs or other encroachments resulting from original construction or from restoration that conforms substantially to the original construction.

Section 3. Sharing of Repair and Maintenance. The costs of reasonable repair and maintenance of a party wall shall be shared equally by the Owners who make use of the wall.

Section 4. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, but no greater dimension of that party wall, or of any extension or restoration thereof, shall be placed upon the Lot of the other Owner who is not extending, constructing or restoring it than that existing prior to the fire or other casualty, unless the written consent of the latter is first obtained. No part of any addition to the dimensions of that party wall (or of any extension thereof already built) that may be made by either one of the Owners who have used it (or by those claiming under them respectively) shall be placed upon the Lot of the other Owner, unless the written consent of the latter is first obtained. If the other Owner thereafter makes use of the wall, he shall contribute to the cost of restoration thereon in proportion to his use,

B3988 P.0897

without prejudice, however, to the right of any such Owner to call for a larger contribution from the other Owner under any rule of law regarding liability for negligent or willful acts or omissions.

Section 5. Weather Proofing. Notwithstanding any other provision of this Article XX, any Owner who by his negligent or willful act causes a part of the party wall not previously exposed to the elements to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 6. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title to his Lot. Upon conveyance or other transfer of title, the liability of the prior Owner shall cease.

Section 7. Arbitration. In the event of any dispute arising concerning a party wall or under the provisions of this Article generally, each party shall choose one arbiter, those arbiters shall choose one additional arbiter, and the decision of a majority of the three arbiters thus chosen shall be conclusively determinative of the question involved. If a panel cannot be designated in this way, the matter shall be arbitrated pursuant to the rules of the American Arbitration Association (or its successors in function) then obtaining. Any decision made pursuant to this Section 7 shall be conclusive and may be entered in any court of competent jurisdiction in accordance with the Florida Arbitration Code.

ARTICLE XXI

PALM BEACH COUNTY REQUIREMENTS

Section 1. Vacating Plat. No portion of the open space within the plat referred to in Exhibit "A" hereto may be vacated, in whole or in part, unless the entire plat is vacated, if the effect of such open space vacating would be to reduce the open space below the minimum requirements of the Palm Beach County Zoning Code.

Section 2. Destruction of Units. If any Unit is destroyed or removed for any reason, and then replaced, the replaced Unit shall be of a similar size and type to the previously existing Unit, but in no event shall the new Unit's dimensions exceed the replaced Unit's dimensions. This paragraph shall apply only to Units which are attached to other Units.
